**The Yod: Configuration for the Masterful**

### **Neptune and the 12th house – Understanding the greatest Mystery** *(Lecture)*

The 12th house is often fundamentally misunderstood and associated with negative experiences such as confinement or addiction. While we may list the good and the bad of such influences, it is worth understanding the real essence of the 12th house ... which happens to be about the mastery of happiness! Join us on an deeply fascinating discussion.

### **The Yod – Configuration for the Masterful** *(Workshop - light lunch options available)*

Composed of two quincunxes and a sextile, the Yod attracts a great deal of attention among astrologers. Often called “The Finger of God,” this pointed-shaped configuration seems to describe fated developments in the astrology chart. One thing is for sure, the Yod requires the highest of a person’s integrity; it deflates arrogance and can only be mastered through sincere humility. Join Maurice for accessible and insightful perspectives on this phenomenon. Maurice goes through all possible Yod placements in the chart, detailing the different evolutionary lessons in each case.
