The Predictive Planetary Periods of Vedic Astrology

Lecture: The Nakshatras: The Lunar Mansions of Vedic Astrology

The nakshatras represent the primordial level of the 27 divisions of Hindu zodiac. This class will reveal the symbolism, meaning and Vedic myths associated with each of the lunar mansions. We will focus on the Sun, Moon and Ascendant nakshatras of class participants. We will also discuss the use of the Moon nakshatras for relationship compatibility and electional charts. Come and explore the ancient secrets of Vedic Astrology and their application to the modern Western world.

Workshop: The Predictive Planetary Periods of Vedic Astrology

The dashas or planetary periods of Hindu Astrology represent the the development life cycles and future trends of one's life. This is a a unique predictive system based on the position of your natal Moon's nakshatra placement. This analysis can be particularly helpful for gaining a more comprehensive overview of the timing of karmic patterns coming to fruition. Marriage, career success and other important life events can be revealed with detailed accuracy.
