

# NCGR

## SACRAMENTO AREA CHAPTER

*Join us for our July 2017 Special Event!*

## ASPECT PATTERNS

**LINEA VAN HORN**

*July 23, 2017*

*1 p.m. - 4 p.m.*

All those shocking triangles and squares in the middle of charts – what do they mean? Learn about the major aspect patterns: the stellium, grand trines and kites, T-squares, grand crosses, yods and mystic rectangles.

This presentation is geared to the intermediate student of astrology, and focuses on using elements and modes both to identify these patterns and interpret them. We'll look at plenty of charts to see real-life examples of aspect patterns in action. Workshop includes many additional considerations, examples, suggestions and clues in chart analysis.

*Linea Van Horn, C.A., NCGR, is the Astrologer at Large. Linea is Founder and President Emeritus of the San Francisco Astrological Society (1992-2014) and has served on three NCGR boards, including the Board of Examiners. Formerly employed in the astrology Internet industry, Linea is a respected teacher, published author, and popular, lively presenter. She now devotes herself to client work, teaching, writing, and community building in the San Francisco Bay Area. Member of AFAN, ISAR and OPA.
