Saturn and the Karmic Law

Lecture: Saturn in Sagittarius (2014-2017)

Saturn has moved to Sagittarius on December 2014, and will remain there most of the time until December 2017. During this cycle, Neptune in Pisces, Jupiter in Virgo, and the Nodes in Pisces/Virgo will create a powerful T-square in the mutable signs. Maurice will speak about the very particular influences and implications of this Saturn Cycle. Be sure to join, and refer the insights back to your chart to better understand how to navigate these coming times. This talk will be followed by an deeper immersion workshop on the Spiritual influences of Saturn.

Workshop: Saturn and the Karmic Laws

Maurice will explore the spiritual influence of Saturn and its different placements in the chart. Saturn is known in classical literature as the “Lord of Karma” – but what does this practically mean? We will explore the meanings and applications, and understand in this context how to clear potential negative karma. The presentation will be illustrated by examples. A fascinating study!
