

TRANSPERSONAL ASTROLOGY

SPECIAL INTEREST GROUP

WHAT IS IT?

This group will focus on growth and spiritually oriented approaches to astrology. It is open to a wide variety of systems and viewpoints. Some common forms of Transpersonal Astrology are:

- Evolutionary Astrology
- Psychological Astrology
- Karmic Astrology
- Esoteric Astrology
- Theosophical Astrology

WHAT WILL IT COVER?

Astrology can be of profound help to ourselves and others. We will explore the various ways that astrology can be used on the path of personal growth and evolution. Most sessions will include visualization and meditative practices centered on astrology. As the group develops we can incorporate presentations by members, book discussion nights, planet nights, and member led meditations.

SOME TOPICS FOR THE FIRST FEW SESSIONS

- Types of Transpersonal Astrology
- The Spectrum of Consciousness
 - Meditation and Astrology
 - States of Consciousness
 - Stages of Development
- Transpersonal States and Stages
- Self Observation and Astrology
- Astrology's place in spiritual practice
